

CLYC 17 - Dinghy & Cruiser Park Rules

Members must be aware that they are responsible for adequately securing their property. CLYC cannot take responsibility for damage to or theft of craft or other equipment stored in the boat park. The Club reserves the right to exclude boats deemed by the Committee to be un-seaworthy or a hazard to other members. The Club reserves the right to move boats at the owners' risk.

1. Boat Park Space Application

- 1.1. On receipt of the completed forms together with the appropriate payment the Committee will allocate a suitable space (usually the same space as was occupied the previous year), and provide a numbered sticker.
- 1.2. Spaces will be allocated on a first come, first served basis.
- 1.3. It is the responsibility of members to ensure that they affix the sticker to their craft or trailer, as soon as possible, in such a position that it can be seen when the craft or its trailer is in the normal stored position.
- 1.4. The Club reserves the right to red-label the boat and publish a list of members who have not paid for their boat park space by April 1st.
- 1.5. Double banking two or three dinghies on one MOVEABLE trailer for the price of one boat is acceptable as long as the space taken up equates to one dinghy.
- 1.6. NO REFUNDS will be given for boats removed during the year
- 1.7 Electricity cables may only be led to boats after approval by the Committee.

2. Abandoned Boats

If no payment or communication has been received by the Club by April 1st the craft will be deemed to have been abandoned and the following procedure will be invoked:-

- 2.1. The property will be red-labelled and may be moved to the Red Zone.
- 2.2. Efforts to contact the owner of the craft will be made by telephone and by letter.
- 2.3. If this proves unsuccessful by July 1st, an advertisement advising the owner of the craft's status will be placed on the Club notice board and in the local press.
- 2.4. If no response has been received within 30 days of these advertisements, the craft will be inspected and may be disposed of at the discretion of the Executive Committee.

3. Responsibilities of boat owners.

Owners of boats in the CLYC boat park are responsible for:-

- 3.1. Ensuring that they affix the payment stickers in a timely and appropriate manner.
- 3.2. Ensuring that their boats are securely stowed and do not constitute a hazard to other craft or people by being blown over
- 3.3. Ensuring that they maintain adequate third party insurance for their boat
- 3.4. Ensuring that they advise the Club if they sell their boat and, if it will remain in the boat park, who is the new owner. Dinghies sold to non-members must be removed from the boat park immediately.
