Racing will take place well away from the shipping channel on Carlingford Lough as close as possible to Carlingford.

8 THE COURSE

A triangular course will be used, with 2 laps as standard. The diagram in the Addendum shows the course, the order in which marks are to be passed, and the side on which each mark is to be passed. The Race Officer **MAY** announce his bearing to the windward mark.

9 MARKS

Marks 1, 2, and 3 will be of the large inflatable yellow type. The start mark will be a red buoy.

10 THE START

- 10.1 The starting line will be between the aft side of the cabin on Committee Boat *Line Dancer* and the port-end starting mark.

- 10.3 If FLAG U* has been displayed as the preparatory signal, no part of the boat's hull, crew or equipment shall be in the triangle formed by the ends of the starting line and the first mark during the last minute before her starting signal. If a boat breaks this rule and is identified, she shall be

disqualified without a hearing but not if the race is re-started or re-sailed or postponed or abandoned before the starting signal. This changes rule 26.

11 CHANGE OF THE NEXT LEG OF THE COURSE

- 11.1 To change the next leg of the course, the race committee will move the original mark (or the finishing line) to a new position.
- 11.2 Minor Course changes may not be signalled but the race committee may announce this over VHF radio.

17 SAFETY REGULATIONS

- 17.1 All boats must carry a VHF radio and all regatta communication will be on Channel 6
- 17.2 All boats must monitor Warrenpoint Harbour Radio on Channel 12
- 17.3 Boats should avoid the shipping channel. The lateral marks are navigation buoys, and so contact is to be avoided. Any boat coming into contact with any of these must notify Warrenpoint Harbour Radio as soon as possible on VHF Channel 12 in order that maintenance or repositioning can be carried out quickly. This allows a safety warning to be broadcast to lough users. The boat involved will be solely responsible for any costs incurred by such contact.
- 17.4 A boat that retires from a race shall notify the race committee as soon as possible.

18 REPLACEMENT OF CREW OR EQUIPMENT

- 18.1 Substitution of competitors will not be allowed without prior written approval of the race committee.
- 18.2 Substitution of damaged or lost equipment will not be allowed unless authorized by the race committee. Requests for substitution shall be made at the first reasonable opportunity.

19 EQUIPMENT AND MEASUREMENT CHECKS

A boat or equipment may be inspected at any time for compliance with the class rules and sailing instructions.

20 RISK STATEMENT

Rule 4 of the Racing Rules of Sailing states: "The responsibility for a boat's decision to participate in a race or to continue to race is hers alone". Sailing by its nature is an unpredictable sport and therefore inherently involves an element of risk. By taking part in the event, each competitor agrees and acknowledges that:

- (a) They are aware of the inherent element of risk involved in the sport and accept responsibility for the exposure of themselves, their crew and their boat to such inherent risk whilst taking part in the event;
- (b) They are responsible for the safety of themselves, their crew, their boat and their other property whether afloat or ashore;
- (c) They accept responsibility for any injury, damage or loss to the extent caused by their own actions or omissions;
- (d) Their boat is in good order, equipped to sail in the event and they are fit to participate;
- (e) The provision of a race management team, patrol boats and other officials and volunteers by the event organiser does not relieve them of their own responsibilities.
- (f) The provision of patrol boat cover is limited to such assistance, particularly in extreme weather conditions as can be practically provided in the circumstances.

21 RADIO COMMUNICATION

A boat shall neither make radio transmissions while racing nor receive radio communications not available to all boats. This restriction also applies to mobile telephones.

22 PRIZES

Prizes will be presented at Carlingford Marina after the racing.

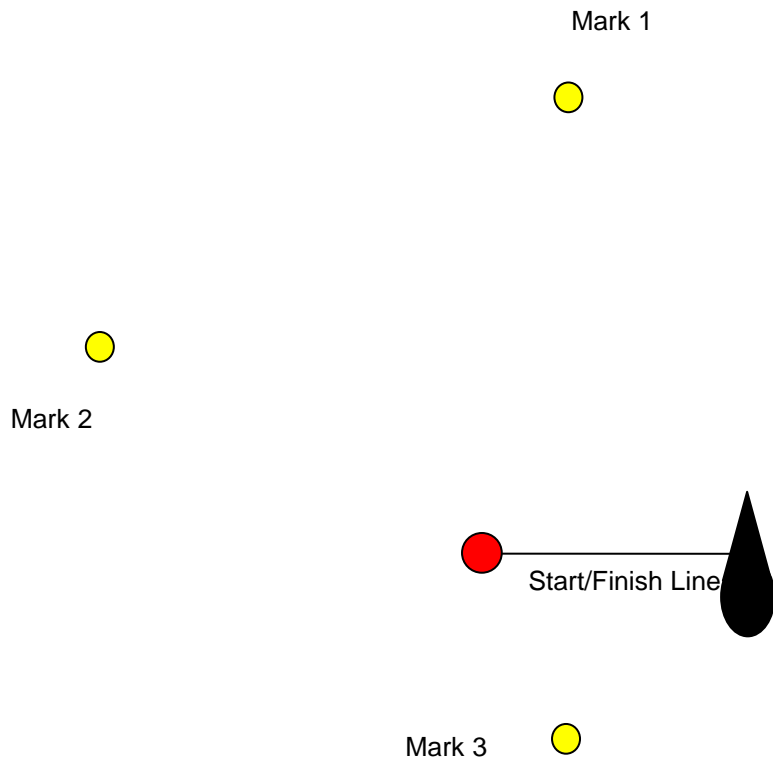

23 INSURANCE

Each participating boat shall be insured with valid third-party liability insurance with a minimum cover of €3,000,000 or the sterling equivalent.
